IV. That as the Suspended Amildar Mr. Venkata Rangayya had imposed professional Tax without the authority of the Sub Division or District Officer, and as during the Jamabandi, the Deputy Commissioner ordered that the Subject of the imposition of the Tax should be considered and disposed off by the Municipal Board, and as all the members were unanimously of opinion that the imposition of the tax was unjust, and would work hardship, that no profession Tax or Tax on Vegetable Sellers be levied in the Municipality—

V. That as it is not feasible to secure an octroi post on less pay, the present post at the Kovada Gate be allowed to remain undisturbed.

Order thereon

In para 3 of the Resolution No VI of the above Proceedings the Municipal Board of Chitaldroog remark that the present System of levying octroi on articles of Consumption ~~in the~~ imported into the town causes great inconvenience and needless annoyance to Traders as well as the Townspeople; and they therefore resolve to move the Government to abolish ~~to abolish~~ the tax and to relieve the Municipality of the burden of the Police Charges.

2. It is observed that in the town of Chitaldroog the octroi might be rendered less burdensome ~~than~~ than it is said to

be at present, if the levy of the tax were properly regulated The Municipal Board will therefore be called upon to revise the tax ~~with a view to~~ retaining yet only on productive articles and observing stricter economy in introducing ~~a change in the method of~~ the establishment for collection.

2. The arrangement under which Chitaldroog has to pay for the cost of the town Police is independent of ~~the~~ subject of octroi ~~taxation~~. The town, like other ~~towns~~ head Quarter stations of the Districts and Sub-divisions, bears the cost of its Police in consequence of its enjoying the whole of the Govt: Monterfa. The Board's proposal to relieve the Municipality of the cost of the Police cannot therefore be ~~opposed~~ Entertd
